Trinidad and Tobago Unit Trust Corporation

Notes to the Interim Condensed Consolidated Financial Statements For the six months ended 30 June, 2014

Expressed in Trinidad and Tobago Dollars

1. Nature of operations

The Trinidad and Tobago Unit Trust Corporation (the **Corporation**) controlled eleven (11) entities for the purposes of International Financial Reporting Standard (**IFRS**) 10, during the six (6) months ending 30 June, 2014.

2. Basis of preparation

The interim condensed consolidated financial statements for the six months ended 30 June 2014 have been prepared in accordance with IAS 34 Interim Financial Reporting.

3. Significant accounting policies

The accounting policies, presentation and methods of computation applied in these Condensed Financial Statements are consistent with those applied in the preparation of the annual Consolidated Financial statements for the year ended 31 December, 2013.

4. Amendments to IFRSs

The following amendments became effective on 1 January, 2014:

IAS 32 Offsetting Financial Assets and Financial liabilities – the amendment clarifies the meaning of certain terms with respect to the qualifying criteria for off-setting financial assets and liabilities.

IAS 36 Recoverable Amounts Disclosures for Non-Financial Assets – the amendment introduces an explicit requirement to disclose the discount rate used when computing impairment of non-financial assets (or reversals) where the recoverable amount (based on fair value less costs of disposal) is determined using the present value technique.

IAS 39 Novation of Derivatives and Continuation of Hedge Accounting – the amendment removes the need to discontinue hedge accounting if a hedge derivative was novated provided that certain criteria are met.

Trinidad and Tobago Unit Trust Corporation

Notes to the Interim Condensed Consolidated Financial Statements For the six months ended 30 June, 2014

Expressed in Trinidad and Tobago Dollars

4. Amendments to IFRSs (continued)

Amendment to IAS 16 – Property, Plant and Equipment - the amendment clarifies that a revenue-based method is not considered an appropriate basis for the calculation of the depreciation of an asset. The standard explains that revenue based methods reflect a pattern of generation of economic benefits that arises from the operations of the business of which an asset is a part, rather than a pattern of consumption of an asset's expected future economic benefits. Early adoption had no impact on these consolidated financial statements.

Amendment to IAS 38 – Intangible Assets - the requirements of IAS 38 are amended to introduce a rebuttable presumption that a revenue-based amortization method for intangible assets is inappropriate. The presumption, however, can be rebutted if the intangible asset is expressed as a measure of revenue and it can be demonstrated that revenue and the consumption of economic benefits are highly correlated. Early adoption had no impact on these consolidated financial statements.

The amendments stated above did not impact these Condensed Consolidated Financial Statements.

4. Approval of Interim Financial Statements

The interim financial statements were approved by the Board of Directors on 15th August 2014.
