

NOTICE

US DOLLAR LIMITS ON TT\$ INCOME FUND VISA ELECTRON CARD

UTC operates in an economic environment where there is limited access to foreign exchange. As such, the Corporation has taken a decision to introduce daily and monthly limits on the international usage of the TT\$ Income Fund Visa Electron Card effective October 2, 2017.

Going forward, daily and monthly limits on the international usage of the TT\$ Income Fund VISA Electron Card are as follows:

ITEM	LIMIT
Daily international ATM transactions	TT\$1,000.00 (approximately US\$147) which fluctuates based on daily rate
Daily international Point of Sale (POS) transactions	TT\$5,000.00 (approximately US\$735) which fluctuates based on daily rate
Monthly limit	TT\$20,000.00 (approximately US\$2,940) which fluctuates based on daily rate

Imposed limits may be subject to future change based on availability and access to foreign exchange. Limits on the US\$ Income Fund Visa Debit Card remain unchanged and customers who hold this card can continue to utilise it for US\$ transactions.
