### Risk Profile

The value of the Fund is related to the market value of the underlying investments and as such, payment of principal and interest reflect investment performance.

Performance is subject to variations and is likely to change over time. Past performance should not be treated as an indicator of future performance. Important information concerning the investment goals, risks, charges and expenses is contained in the prospectus. Investors should carefully consider these before investing. Obtain a prospectus from our website ([www.ttutc.com](http://www.ttutc.com)) or at any of our UTC Investment Centres and read it carefully before investing.
