UTC Official Statement

Zero tolerance towards attempt to compromise unitholders' funds

July 18, 2019:

Following media reports today on an attempt to defraud the UTC, we are cooperating fully with the Trinidad and Tobago Police Service on this investigation. Amongst those charged are two former employees.

We have zero-tolerance towards any attempt to compromise the security of our unitholders' funds. Any attempt will be dealt with seriously and expeditiously.

At UTC, we have a robust Corporate Governance Framework. We ensure strict adherence to existing laws, regulations and stringent policies and procedures. At all times, we promote the highest standards of professional conduct and the diligent discharge of duties.

The safety and security of our unitholders' funds is our greatest responsibility.
