Point Fortin ATM Service

Dear Customer,

Our ATM has always been located in the Investment Centre, which makes it inaccessible to customers after working hours.

Currently, it is underutilized and as such, we have taken a decision to discontinue this service, effective **September 27, 2021**.

Alternatively, repurchases/ withdrawals can be made at any Non-UTC ATMs **free of charge**.

For sales/deposits, you can use:

- An Agency that is convenient to you
- Fast deposit box in the Investment Centre
- In-lobby/IC services
- Standing order
- ACH
- Wire transfer
- Transfer via U-online

We apologize for any inconvenience and thank you for the support.
