## **US DOLLAR INCOME FUND**

**Notes to the Interim Financial Statements** For the six months ended 30 June 2023 Expressed in United States Dollars

#### I General Information

The US Dollar Income Fund (the Fund) is an open-ended fixed income mutual fund denominated in United States Dollars that was launched in April 2000. The Custodians of the Fund are the Central Bank of Trinidad and Tobago and Citibank New York. The Fund invests in accordance with its Investment Policy Statement and guidelines approved by the Board of the Trinidad and Tobago Unit Trust Corporation (the Corporation).

The Corporation is the Sponsor, Manager, Trustee and Investment Advisor of the Fund. Responsibility for managing the business affairs of the Fund is vested in the Board of Directors of the Corporation. The Corporation's registered office is located at UTC Financial Centre, 82 Independence Square, Port of Spain.

Participation by investors in the Fund is represented by units which are equivalent to a proportion of the Fund's net asset value. There is no limit to the number of units that may be issued. Each unit attracts an equal share in the net asset value and other benefits of the Fund. The price of each unit is fixed at US\$20.00.

#### 2 Basis of Preparation

The interim financial statements for the six-month period ended 30 June 2023 have been prepared in accordance with IAS 34 Interim Financial Reporting.

## 3 Significant Accounting Policies

The accounting policies, presentation and methods of computation applied in these interim financial statements are consistent with those applied in the preparation of the annual financial statements of the Fund for the year ended 31 December 2022. Any new accounting standards or interpretations which became effective in this financial year have had no material impact on the Fund.

## 4 Related Party Transactions

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions.

The Fund is managed by the Corporation. Under the terms of the investment management agreement dated April 2000, the Corporation may charge an annual fee of up to 2% of the net asset value of the Fund.

Total management fees for the period amounted to \$4.3 million or 1.25% of month-end Fund size (June 2022: \$4.0 million or 1.25% of month-end Fund size). The outstanding management charge due to the Corporation as at 30 June amounted to \$0.7 million (June 2022: \$0.7 million).

There was an amount of \$4.2 million payable to the Corporation for the period ended June 2023.

There was an amount of \$0.3 million receivable from the Corporation for the period ended June 2022.

The Corporation also had an investment in the Fund as at 30 June 2023. The value of the holding was \$0.5 million (June 2022: \$0.5 million).

There were no other related party transactions for the period.

### 5 Segment Information

The Fund has a fixed income portfolio which is its reportable segment. The portfolio's investment objective and strategy is to invest in the local debt market within the parameters set out in the Fund's prospectus to achieve the highest risk adjusted yield.

The Board of Directors reviews the internal management reports of the portfolio at least quarterly.

The Fund regards the holders of the redeemable units as customers because it relies on their funding for continuing operations and meeting its objectives.

# 6 Approval of Interim Financial Statements

These interim financial statements were approved by the Board of Directors and authorised for issue on 8 August 2023.
